

Dear Parents,

Greetings of the day!

As per the CBSE guidelines vide circular no: CBSE/CE/2020 dated 13.5.20 regarding one time opportunity extended to class IX and XI students who could not clear their Annual Examination session 2019-2020.

The school has thus decided to conduct retest for all the students who failed in one, two or more subjects from June 16,2020.

You are therefore directed to prepare your ward for the Online Retest Exam for the subject/ subjects in which he or she could not qualify the examination. Consider this retest as the last and final opportunity to qualify the same.

The syllabus and duration of paper will also be same as it was for Annual Examination and the duration will be 3 hours.

The datesheet of retest will be provided soon .

Regards,

Principal
