Dear Parents

Greetings from DPSCL Aligarh

This is to be noted that Chief Secretary Sir has given instructions that the ' AyushKavach App' which was recently launched by the Hon Chief Minister should be downloaded by everybody compulsorily, hence it is requested from all the parents to please download this app as soon as possible and install in your mobile and kindly give the confirmation of installation in the respective class group by 3.00pm today positively as we have to pass this information to local authorities.

Thank you,

Regards

Principal
