

DELHI PUBLIC SCHOOL CIVIL LINES, ALIGARH
SUMMER HOLIDAY HOMEWORK (2016-17)
CLASS- II

Dear Parents

Warm Greetings!

Summer vacation gives each one of us time and energy to connect with family and friends. There is a lot one can do to make the vacation more interesting, meaningful and fun filling. Home work is given to them for completion during Summer Vacation. This is to keep them slightly in touch with their studies. Your cooperation in this regard will keep the children refreshed when they come to school after the vacation.

Please encourage your child-

- *To enhance their vocabulary and verbal skill, please encourage them to converse in English.*
- *To inculcate reading habits in Hindi & English, you can read along with him/her as often as you can.*
- *Please gift them story books that he/she finds interesting.*
- *You can talk to your child about the places you are visiting to make the vacation more interesting and enhance awareness.*
- *Enjoy to the fullest and have a wonderful HOLIDAY TIME!*

ENGLISH:

1. Paste the newspaper headline clipping in your Scrap book and circle the Naming Words.
2. Paste the photograph of the place you have visited during your Summer Vacation and write Six (6) sentences about it.

HINDI:

1. Write a poem on any festival in your Scrap book and decorate it.
2. Make a chart of 11 SWAR and 33 VYANJAN and decorate it.

MATHEMATICS:

1. Write the different ages of all your family members and arrange in ascending order in your Scrap book.
2. Visit your nearest Super market and make a list of items you purchase. Write their cost and add them in your Scrap book.

E.V.S:

1. Paste the picture of any three internal organs in your Scrap book and write how they are useful to us.
2. Make your own Menu card for a week in a Scrap book. Write the items you want to eat in break fast, lunch and dinner. Also paste related pictures.
