Holidays are the best time of the year,  
Time to shout, clap & cheer!

Dear Parents!

Summer vacation is a welcome break... we have planned most of the activities to keep our children engaged and also help them in channelizing their energies. Kindly help and guide your child in completing the work and also exploring their creative self. Submit the given homework in a folder with clearly mentioned name, class and section. It would be wonderful if the children themselves decorate the folders with their tiny hands.

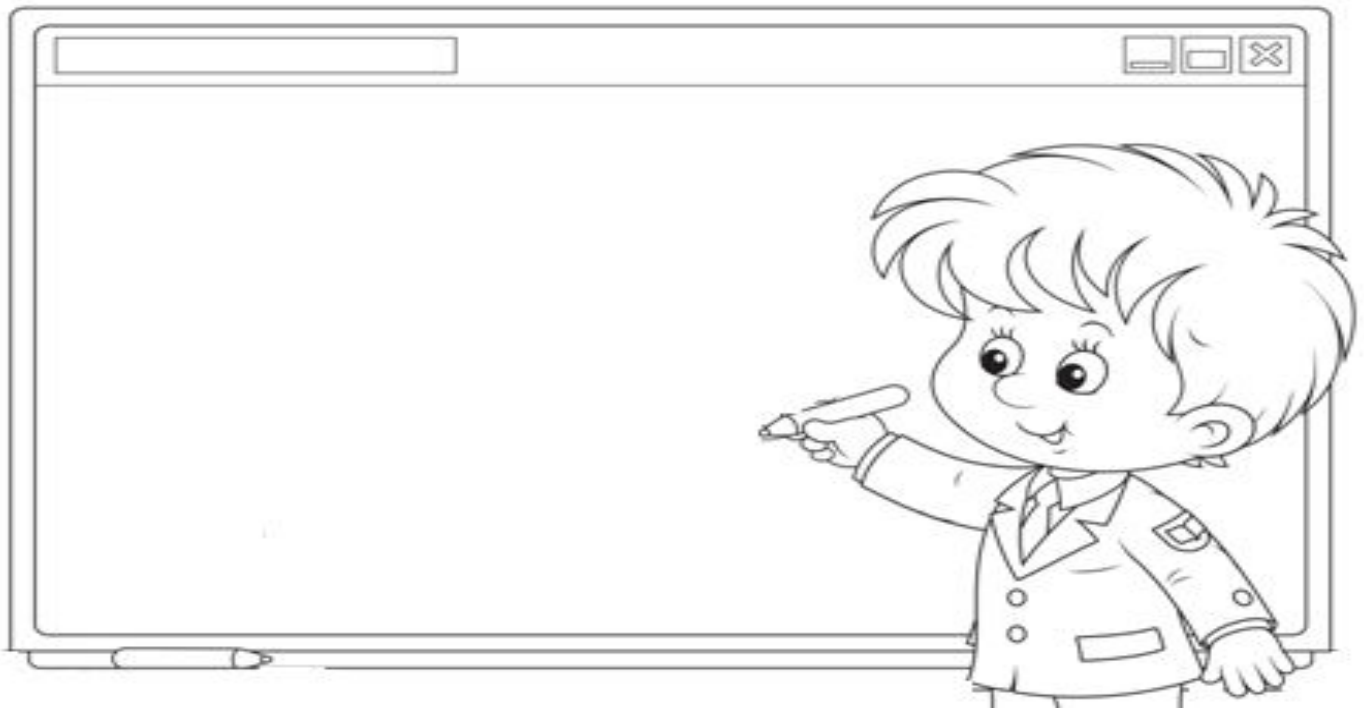

**HAPPY HOLIDAYS! Have fun with your little one!**

- Send drawing/craft items on /Rainy season. Use only A4 size sheet.
