Summer vacations are synonymous with fun, frolic, getting up late in the morning, playing for long hours with friends, going for picnics, exploring new places and watching fun filled shows. Dear Parents please accompany your ward doing these activities and encourage them-

- ❖ To inculcate reading habits in Hindi & English, you can read along with him/her as often as you can the books that he/she finds interesting.
- ❖ You can talk to your child about the places you are visiting to make the vacations more interesting and enhance awareness.
- ❖ “A healthy mind lives in a Healthy Body” Encourage your child to go outdoors rather than being a couch potato.
