

# DELHI PUBLIC SCHOOL CIVIL LINES ALIGARH

## HOLIDAY HOMEWORK (2024-25)

### CLASS – VI

Dear Parents,

We wish you and your child a very happy summer holiday. Holiday is the time that we all eagerly wait for. We all make plans to enjoy, to relax and to empower ourselves during these gala days. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of "learning by doing" for his/her holistic development.

This summer vacation, the holiday homework designed by the school is a medium for the students to achieve the motto of fun and learn. The activity based assignments will foster curiosity, develop creativity, enhance knowledge and instil the joy of learning among the students.

Kindly ensure that the holiday homework is completed by your child under your guidance.

## ENGLISH

*The most awaited vacation is about to begin! Summer vacation brings easy mornings, relaxing afternoons, and playful evenings. It also provides a great opportunity to plunge into the sea of imagination and creativity. So let's get ready to learn something new every day!!!!*

### 1. Comic Escapade: Vacation with a Hero!

*Imagine you have an opportunity to enjoy a holiday trip with your favourite comic character. Create a comic strip, of 8-10 pages, narrating your experiences of the trip.*

*Key points for creating a comic strip -:*

- An eye catchy cover page.*
- Dimension – 12\*8*
- Four square shaped boxes or panels on each page.*
- You can draw images or paste a print out of the characters.*
  - Brief descriptive prose.*
  - Dialogues should be in word- balloons/speech bubbles.*
  - Your comic strip should not have more than 4 characters.*

### 2. Summer Handwriting Adventure: Transcription Quest!

*Summer break is a perfect opportunity to improve your handwriting. Let's do transcription of 30 pages in a thin notebook. You may copy down short newspaper reports every day.*

### 3. Vocabulary Voyage!

*Compile a list of 20 new vocabulary words from a novel or a challenging text in a thin notebook or a diary. Provide definitions, synonyms, and use each word in a sentence to demonstrate understanding.*

#### 4. School Magazine!

Write a short-story, poem, article or any other form of creativity on the topic "Dreams & Ambition" (no copy-pasting allowed).

Word limit for the same is 150-200 words. Font : Times New Roman ; Font size :14 (\*16 for headings).

Mail your entries in Word File on the below mentioned Id :

[ankita5pathak@gmail.com](mailto:ankita5pathak@gmail.com)

## HINDI

- बचपन पाठ पढ़ाने के उपरांत लिखिए आपके और लेखिका के बचपन में क्या-क्या अंतर है?
- एक पेज सुलेख प्रतिदिन करें सुलेख हेतु अलग उत्तर पुस्तिका बनाएं!

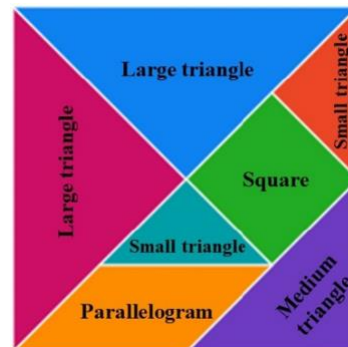

## MATHS

- There are a total of 3 questions and three Activities.
  - Do both questions and activities in your scrapbook.
  - The cover page should be designed using geometrical shapes.
1. Approximately sixty million people throughout the world consume milk and milk products daily.
    - (i) Write your answer in numerals.
    - (ii) Write the successor and predecessor of the number.
    - (iii) How many lakhs make six million?
  2. The maximum sugar intake of Rahul and Rakesh is 156 calories and 248 calories, respectively, in a day. Write the numbers individually in Roman numerals. Also, find the sum of total calories consumed by both of them and write the answer using Roman numerals.
  3. In a city, the number of vegetarians are 256478, and the number of non-vegetarians are 149876.
    - a. Estimate the number of vegetarians to the nearest hundred, thousand and lakh.
    - b. Estimate the number of non-vegetarians to the nearest ten, ten thousand and lakh.
    - c. Find a rough and closer estimate of the difference in the number of vegetarians and non-vegetarians.
  4. Cartoon Making (Interdisciplinary Activity with Fine Arts). Take an A-4 Size coloured sheet. Make cartoons of the first 10 whole numbers. Make according to these rules:
    - ♣ Colour Yellow - Smallest Number

- ♣ Colour Red - Greatest Numbers
- ♣ Colour Blue - Number Divisible by 2 and 3
- ♣ Colour Green - First odd number
- ♣ Colour Pink – Only even prime number

5. Tangram is a Geometrical Chinese puzzle cut in a square of seven pieces, which can be arranged to make various other shapes. Take old colourful pieces of paper and cut them in shape to form a tangram as shown in the sample.

Use these tangram pieces to form any one Yoga asana and paste it into your scrapbook.

6. Make vegetables and fruit bill including Cost per kg, Quantity purchased and Final cost. Make it for 5 days on 5 separate sheets.

## **SCIENCE**

**Activity-1 : Make working model** on any one of the following topics-

- Types of motion (Any Four)
- Drip Irrigation
- Water Fountain

**Activity -2 : Sorting Method –**

Visit a nearby departmental store or clothing store and observe how classification of materials is useful. Try to find out the basis of classification of different materials. Click photographs to show how different materials are arranged systematically. Paste those photographs and write your observations in a tabular form on an A4 size sheet.

**OR**

**Activity -3 : Separation Method –**

Take your mother's help to identify 2 methods that can be used to separate mixtures at home. Can be in the kitchen: To sort out vegetables or in the garden to sort leaves, for sorting of clothes after washing etc.

Interview your mother and note methods used to separate things at home and make a report of methods of separation used at home. For two examples from different areas of the house take an indepth research project, use pictures, diagrams, web diagrams to complete your report.

Read Ch-1 and Ch-3 thoroughly from book and learn Question/Answers for PA-1.

**Note-** Do activity-1 and one activity of your choice from activity-2 or activity 3.

## ***SOCIAL SCIENCE***

### 1. Art Integrated Project:

Students will write about the following topics related to the State Uttar Pradesh-
