**GREETINGS FROM DPS FRATERNITY**

Dear Parents,

Summer Holidays are a great time to learn new things. It's a time to have fun, create and invent. School is important but so is your health. Take care of yourself and each other. May all of you have a safe time and be at your creative best while spending days away from school. It's only a matter of time before we get together and relive the excitement of school life. Be proud of yourself, your resilience, and your ability to adapt to extreme circumstances. We are proud of each and everyone of you, and hope we are together again soon.
