SUMMER SAFARI

**HOLIDAY
HOMEWORK**

CLASS - Nursery

2026-2027

Name _____

Dear Parents!

We hope you are safe, healthy and taking good care of yourself and your family. We hope that the children are enjoying and are delighted learning the new concepts being taught.

With summer vacation around the corner, we have put together a few fun activities to make this time more enriching and enjoyable.

These simple activities will help to keep the child fruitfully engaged and are designed to develop motor skills and make them more independent.

- 1) Please use crayons to do the worksheets and emphasize the correct tripod way of holding the crayon.
- 2) **Story Time-** Reading Time! Fun Time!! • Reading story books enhances language and vocabulary development. Introduce your child to picture books, story books and conversation with them to develop their vocabulary and communication skills engaging and encourage them to talk about the pictures they see in the story books.
 - Suggested Story book series- Bubbles, Pepper, Bruno, Ladybird (Level 1)
- 3) **Suggested movies to watch** : The Jungle Book, Nemo, The Baby's Day Out, Kungfu Panda, Stuart Little, Zootopia, Tangled, Moana, Frozen.
- 4) Please reinforce the concepts already covered in the class.
- 5) **Play Games**– Have fun while staying indoors by playing games like ludo, carom, memory games etc. with your child.
- 6) Remember to use magic words like **Please, Sorry, Thank you and Excuse me** in your daily routine to inculcate good moral values in your child.
- 7) Make your child more independent by letting them try wearing their clothes, shoes and socks themselves. Let them button and unbutton their shirt ,fasten the Velcro of their shoes and practice toilet training.
 - ❖ Please make your child practice opening and closing their tiffin box and water bottle to make it easier for them when they join school.
 - ❖ Let them take care of their toys. Teach them to put the toys back in proper place after playing with them

Children are amazing...cherish them

They are believable...

trust them

They are childlike...

let them

They are energetic...

nourish them

Here now, be with them...

Innocent, delight in them... Magical, fly with them...

Let's indulge our children in some fun-loving and learning

activities meant for children in vacation which are

specially designed to reinforce essential

skills learnt at school and to help the

students establish regular habits.

It's an opportunity for parents to be

part of their learning process.

GERMINATION

Take any empty ice cream cup or box available at home and put some cotton in it. Help the child put a few seeds of Rajma or Channa or Green Dal on top of cotton. Tell the child to add little water to it and keep it in the sunlight. Let the child water the plant every alternate day and watch the plant grow. Parents please explain your child how difficult it is to grow food and that it should not be wasted.

Show and Tell

Learn 2-3 lines about your favourite toy and show and tell it to your friends when you come to school.

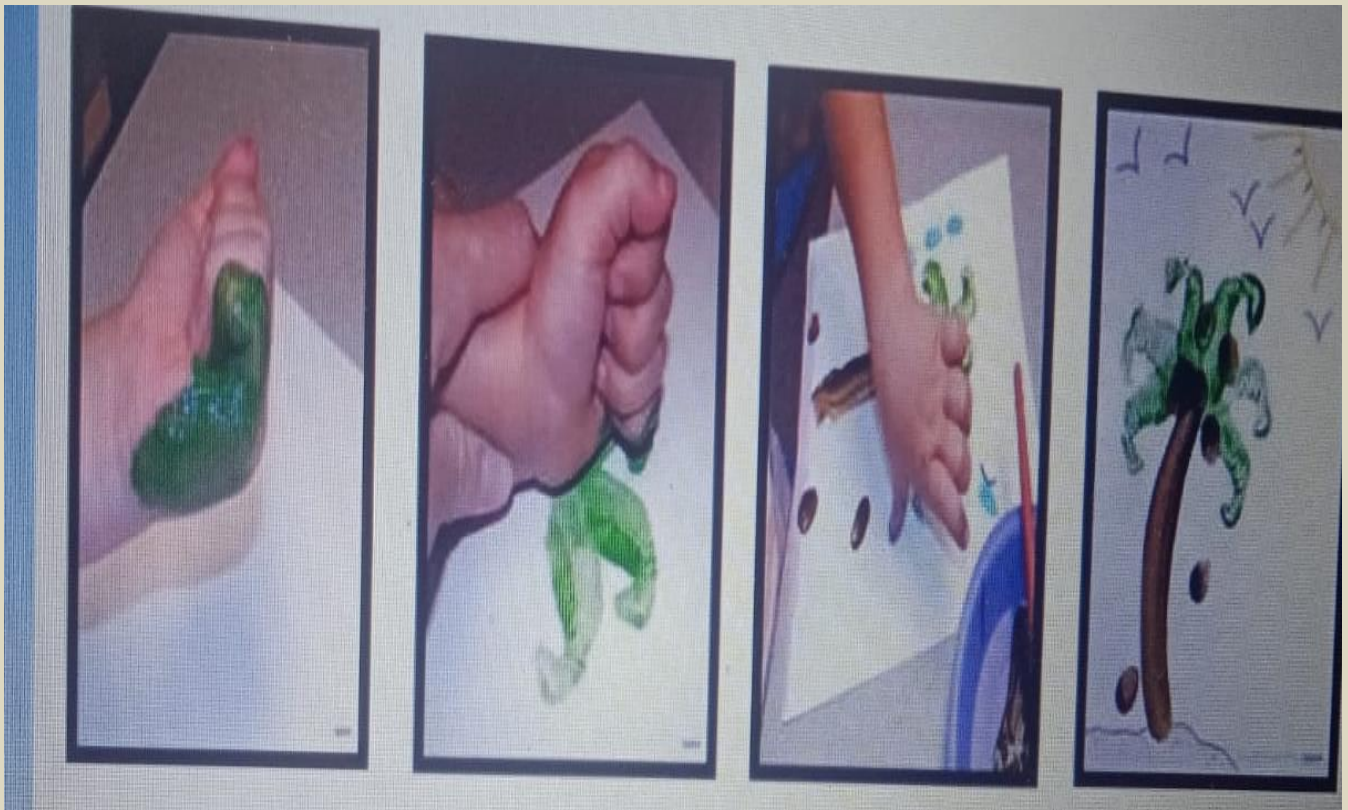

Let's Be An Artist

“A picture is a poem without words.”

Art-related activities are important for more than just keeping a child busy or relaxed. They help to boost a child's self-image, confidence and creativity. Every child should experience the joy of art.

ACTIVITY: Coconut Tree

- Take a sheet and painting colours.
- Take your fist print on the sheet.
- Make 2–3 prints with the left hand and 2–3 with the right hand.
- Draw a tree trunk with a paintbrush.
- Make coconuts using thumb prints.

TEDDY BEAR TOAST (FATHER'S DAY ACTIVITY)

Steps to follow:

1. Take 2 slices of toasted bread (white or brown).
2. Spread peanut butter or chocolate spread evenly on the slices.
3. Cut banana into small round pieces (for ears and nose).
4. Place the banana slices on the top corners to make ears.
5. Add small chocolate pieces or raisins for the eyes and nose.
6. Arrange everything to look like a teddy bear face.
7. Your teddy bear toast is ready to eat!
8. Enjoy it and share with your family.

ALPHABET TRAIN

Create an “**Alphabet Train**”. Use chart paper to design a colourful train with compartments for each letter from A to Z. In each compartment, write the letter (capital and small) and paste or draw a related picture (e.g., A for Apple, B for Ball, etc.).

Encourage your child to actively participate in colouring, pasting, and identifying the letters and pictures. Keep the work neat, creative, and attractive.

This activity will help your child learn alphabets in a fun and engaging way.

CLAY ART ACTIVITY

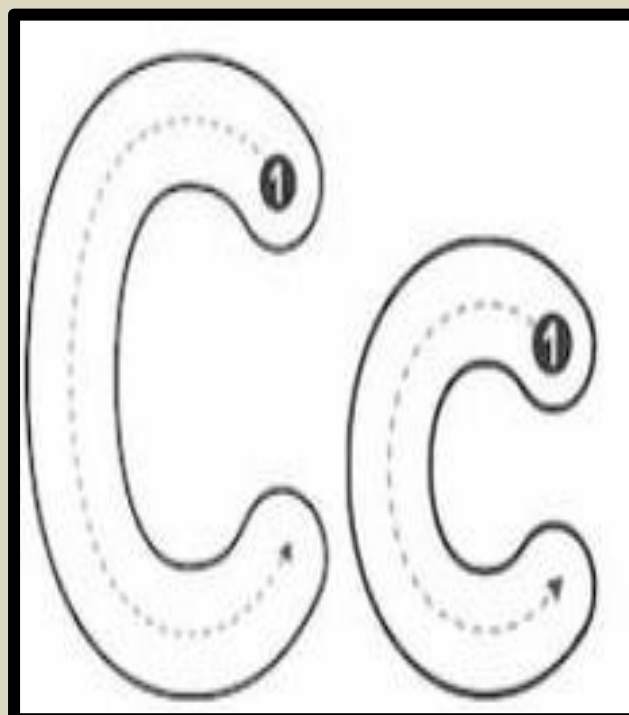

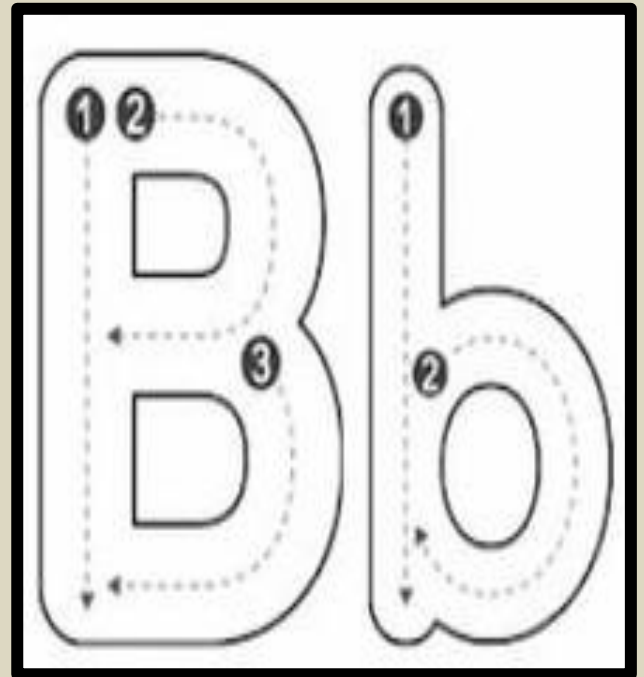

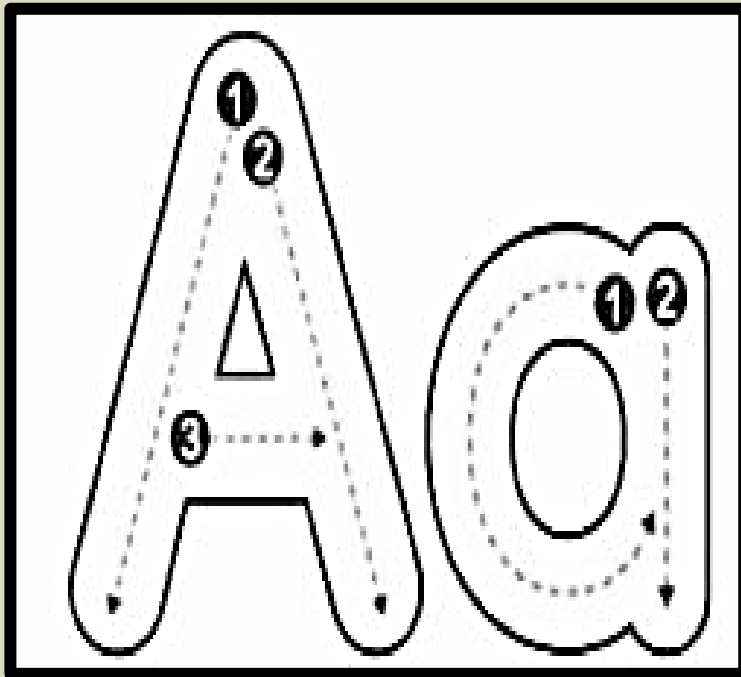

Develops creativity and fine motor control.

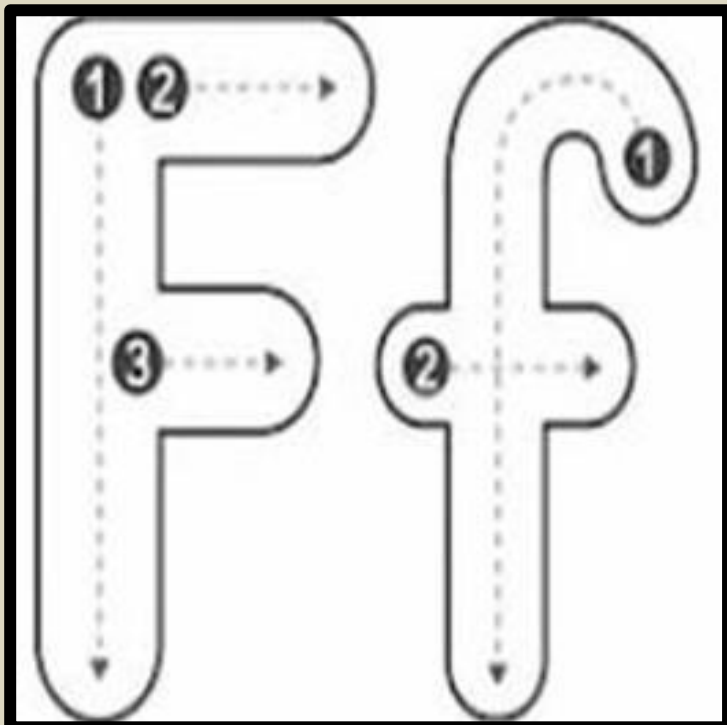

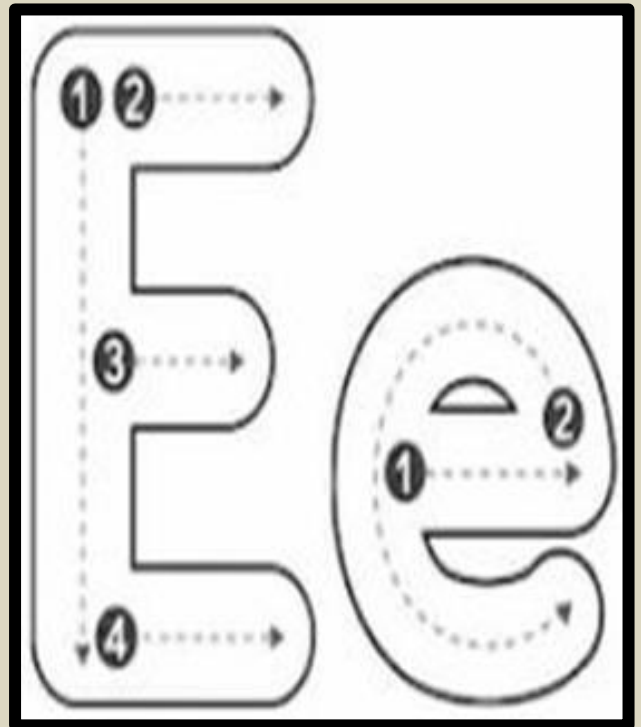

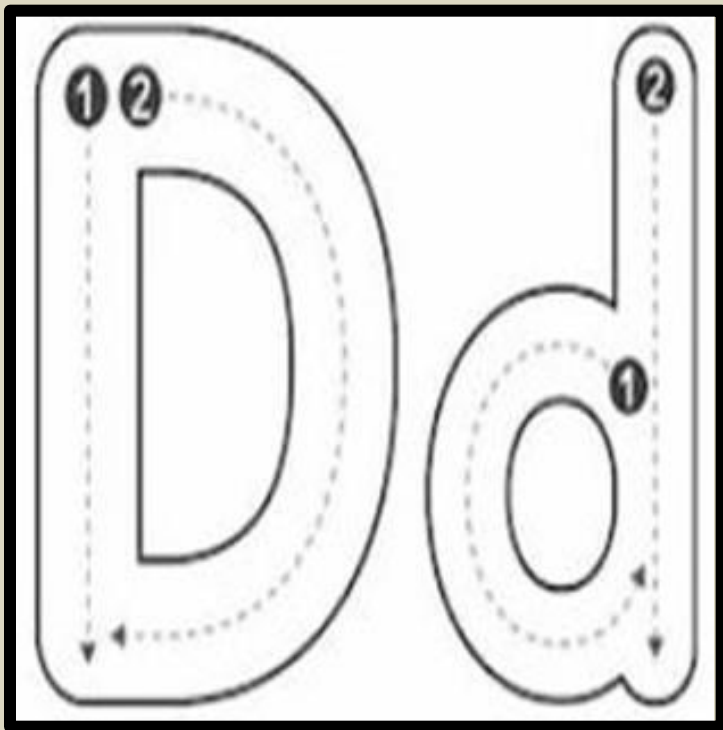

Description of activity- Roll clay into long snake form and paste on the given patterns.

Activity-Make your own flash cards

Instructions- Color the letters and paste them on a sheet. With the help of your parents, cut out letters and paste related pictures on the back side using old newspapers or pictures.
