

DELHI PUBLIC SCHOOL CIVIL LINES ALIGARH

SYLLABUS FOR ADMISSION INTERACTION TO NURSERY (2026 – 2027)

Admission to **Nursery** is based on simple activities relating to various areas of learning and growth, through which we assess the physical, mental and emotional readiness of the child for attending school at the nursery level.

We also look for evidence of basic values and good manners.

Admission to Nursery will be based on the following areas:

- Physical & Mental Readiness for Nursery
- General Awareness
- Gross Motor Skills
- Nascent social skills (ability to play / share with others; greeting; introducing oneself)
- Confidence & Communication Skills (any language – preferably English)
- Curiosity & inquisitiveness
- Basic Intelligence & Retention
- Evidence of basic values and good manners
- Body Parts Recognition
- Ability to Recite (Hindi / English) Poem
- Recognition of colours
- General Conversational Skills
- Recognition of letters A - Z
- Counting 1 – 20

ENGLISH / COMMUNICATION SKILLS (IN ANY LANGUAGE) GUIDELINES

The interaction will focus on the ability of the student to:-

A. LISTEN
