Dear Parents  
Warm Greetings!!

We are pleased to welcome you and your child to the new academic session for Class IV. We look forward to a year filled with exciting learning opportunities, new experiences, and overall growth for our students.

As we begin the months of April and May, our focus will be on building strong academic foundations, encouraging curiosity, and helping children develop confidence, creativity, and responsibility in their daily learning.

This planner has been prepared to keep you informed about the academic syllabus, classroom activities, and important updates planned for the coming weeks. We believe that a strong partnership between school and home plays a vital role in every child's success.

We request you to encourage your ward to:

- Complete classwork and homework regularly.
- Revise lessons taught in school every day.
